#### UF1 CHANGES TO THE DEFINITIONS, THE RULES OF PART 1 AND 2, AND RULE 70

**UF1.1** Add to the definition *Proper Course*: 'A boat taking a penalty or manoeuvring to take a penalty is not sailing a *proper course*.'

**UF1.2** Add new rule 7 to Part 1:

##### 7 LAST POINT OF CERTAINTY

The umpires will assume that the state of a boat, or her relationship to another boat, has not changed, until they are certain that it has changed.'

**UF1.3** Rule 14 is changed to:

##### 14 AVOIDING CONTACT

14.1 If reasonably possible a boat shall

- (a) avoid contact with another boat,
- (b) not cause contact between boats, and
- (c) not cause contact between a boat and an object that should be avoided.

However, a right-of-way boat, or one sailing within the *room* or *mark-room* to which she is entitled, need not act to avoid contact until it is clear that the other boat is not *keeping clear* or giving *room* or *mark-room*.

#### UF1.6 Test rules

(a) The definition *Mark-Room* is changed to:

**Mark-Room** Room for a boat to sail her proper course to round or pass the mark on the required side.

However, *mark-room* for a boat does not include *room* to tack unless she is *overlapped* inside and to *windward* of the boat required to give *mark-room* and she would be *fetching* the *mark* after her tack.

#### UF2 CHANGES TO OTHER RULES

**UF2.1** Rule 28.2 is changed to:

##### 28 SAILING THE COURSE

28.2. A boat may correct any errors in *sailing the course*, provided she has not rounded the next mark or crossed the finishing line to *finish*.

**UF2.2** Rule 31 is deleted.

#### UF3 ON WATER PROTESTS AND PENALTIES

**UF3.1** In this appendix, 'a penalty' will mean the following:

A One-Turn Penalty taken in accordance with rule 44.2.

**UF3.2** The first sentence of rule 44.1 is changed to: 'A boat may take a penalty when, in an incident while *racing*, she may have broken one or more of the *rules* of Part 2 (except rule 14 when she has caused damage or injury), or rule 42.

**UF3.3 On the Water Protests by Boats and Penalties**

(a) While racing, a boat may protest another boat under a rule of Part 2 (except rule 14) or rule 42; however, a boat may only protest under a rule of Part 2 for an incident in which she was involved. To do so she shall hail 'Protest' and conspicuously display a red flag at the first reasonable opportunity for each. She shall remove the flag before, or at the first reasonable opportunity after a boat involved in the incident has taken a penalty voluntarily or after an umpire's decision.

**UF3.4 Penalties and Protests Initiated by an Umpire**

(a) When a boat

- (1) breaks rule 42,
- (2) gains an advantage despite taking a penalty,
- (3) commits a breach of sportsmanship, or
- (4) fails to comply with rule UF3.6 or to take a penalty when required to do so by an umpire,

an umpire may penalize her without a protest by another boat. The umpire may impose a penalty or more, each signalled in accordance with rule UF3.5(b), or disqualify her under rule UF3.5(c), or report the incident to the protest committee for further action. If a boat is penalized under rule UF3.4(a)(5) for not taking a penalty or taking a penalty incorrectly, the original penalty is cancelled,

(b) An umpire who decides, based on his own observation or a report received from any source, that a boat may have broken a rule, other than rule UF3.6 or a rule listed in rule UF3.3(a), may inform the protest committee for its action under rule 60.3. However, he will not inform the protest committee of an alleged breach of rule 14 unless there is damage or injury.

**UF3.5 Umpire Signals**

An umpire will signal a decision as follows:

(a) A green and white flag with one long sound means 'No penalty.'

(b) A red flag with one long sound means 'a penalty is imposed or remains outstanding.' The umpire will hail or signal to identify each such boat.

(c) A black flag with one long sound means 'A boat is disqualified.' The umpire will hail or signal to identify the boat disqualified.

**UF3.6 Imposed Penalties**

(a) A boat penalized under rule UF3.5(b) shall take a penalty.

(b) A boat disqualified under rule UF3.5(c) shall promptly leave the course area.

**UF4 RACE COMMITTEE ACTIONS**

**UF4.1** At the finishing line, the race committee will inform the competitors about each boat's finishing place or scoring abbreviation. After this has been done, the race committee will

promptly display flag B with one sound. Flag B will be displayed for at least two minutes and then removed with one sound. If the race committee changes the scoring information provided at the finishing line while flag B is displayed, it will display flag L with one sound. Flag B will continue to be displayed for at least two minutes after any changes are made.

## **UF5 PROTESTS; REQUESTS FOR REDRESS OR REOPENING; APPEALS; OTHER PROCEEDINGS**

**UF5.1** No proceedings of any kind may be taken in relation to any action or non-action by an umpire.

**UF5.3** A boat intending to

- (a) protest another boat under a rule other than rule UF3.6, or a rule listed in rule UF3.3(a),
- (b) protest another boat under rule 14 if there was contact that caused damage or injury, or
- (c) request redress

shall inform the race committee in the following way:

hail the race committee before or during the display of flag B.

**UF5.4** The time limit defined in rule UF5.3 also applies to protests under rule UF5.9, UF5.10 and UF5.11 when such protests are permitted. The protest committee shall extend the time limit if there is good reason to do so.

**UF5.5** The race committee will promptly inform the protest committee about any protests or requests for redress made under rule UF5.3.

**UF5.6** Rule 62.1(a) is deleted.

**UF5.7** The first three sentences of rule 64.2 are changed to: 'When the protest committee decides that a boat that is a *party* to a protest hearing has broken a rule, it may impose penalties other than disqualification, and may make any other scoring arrangement it decides is equitable. If a boat has broken a *rule* when not *racing*, the protest committee shall decide whether to apply any penalty to the race sailed nearest in time to that of the incident or make some other arrangement.'

**UF5.8** Hearings

Except for a hearing under rule 69.2

- (a) Protests and requests for redress need not be in writing.
- (b) The protest committee may inform the protestee and schedule the hearing in any way it considers appropriate and may communicate this orally.
- (c) The protest committee may take evidence and conduct the hearing in any way it considers appropriate and may communicate its decision orally.
- (d) If the protest committee decides that a breach of a rule has had no effect on the outcome of the race, it may impose a scoring penalty of points or fraction of points or make any other arrangement it decides is fair, which may be to impose no penalty.
- (e) If the protest committee penalizes a boat in accordance with rule UF5.7 or if a standard penalty is applied, all other boats will be informed about the change of the penalized boat's score.

**UF5.9** The race committee will not protest a boat.

**UF5.10** The protest committee may protest a boat under rule 60.3. However, it will not protest a boat for breaking rule UF3.6, a rule listed in rule UF3.3(a), or rule 14 unless there is

damage or injury.

- UF5.11** The technical committee will only protest a boat under rule 60.4 when it decides that a boat or personal equipment does not comply with the class rules, rule 50, or the rules in the equipment regulations of the event if such exist. In such a case, the technical committee shall protest.
- UF5.12** Rule 66.2 is changed to 'A party to the hearing under this appendix may not request a reopening.'
